Currently nominated supervisor

Provide evidence of experience for the relevant removal class as listed below.

Class A

For the purpose of class A licence renewal, the provision of technical evidence in regards to supervisor(s) currently nominated on a PCBU's licence is a staged process.

For each supervisor currently nominated on your licence, you must be able to provide:

Stage 1: Provision of evidence of 100 days of experience in supervising removal of friable asbestos conducted within last 24 months (from the renewal application date). This evidence must be provided at the time of the renewal application by completing the Nominated supervisor's experience form.

Stage 2: Provision of specific Asbestos Removal Control Plans (ARCPs) as selected by WorkSafe. These ARCPs will be selected at the sole discretion of WorkSafe, based on the experience declared during stage 1, and will reflect a minimum of 50 days of experience. Selected ARCPs must be provided via email to asbestos@worksafe.govt.nz within 48 hours of WorkSafe's request. Request will be sent by email to the contact person specified in section 2 of this form.
