

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Tony Hetherington, Head of High Hazards, Energy and Public Safety at WorkSafe New Zealand, exempt **FireWise Limited** from compliance with regulations 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 for the requirements to have a cylinder pre-commissioning compliance certificate and a cylinder import compliance certificate in respect to the Faber Industrie S.p.A cylinders with the serial numbers 05/0029/004 and 05/0037/076.

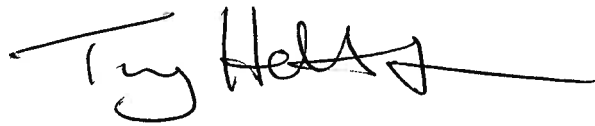

I do so –

- being satisfied that:
 - a. the relevant legislative and regulatory requirements have been satisfied, namely:
 - the requirements of section 220(2) of HSWA are met, subject to conditions to manage the risks to workers and other persons; and
 - the cylinders meet the criteria specified in regulation 15.18 for an exemption from regulations 15.16, and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 as:
 - the cylinders are a close match to an approved design that conforms to an internationally recognised design standard for cylinder manufacture intended to ensure a high level of safety when the cylinder is pressurised; and
 - it is not reasonably practicable for the cylinders to be issued with a pre-commissioning certificate under regulation 15.17 as that involves destructive testing of the cylinders.
- subject to the following conditions:
 1. This exemption is limited to the Faber Industrie S.p.A cylinders with serial numbers 05/0029/004 and 05/0037/076.
 2. FireWise Limited must in accordance with regulation 15.60, stamp the cylinders as follows: :
 - cylinder 05/0029/004 the approval number LAB7721SP;

- cylinder 05/0037/076 the approval number LAB7722SP ;
 - the station mark of the approved test station;
3. FireWise Limited must not stamp the approval numbers LAB7721SP or LAB7722SP on any other cylinder.

This exemption takes effect on **31 October 2019** and expires on **31 October 2024** unless it is sooner replaced or revoked.

Signed at Wellington this ^{24th}..... day of October 2019.
