

Notification of Commissioning of Hazardous Substance Location or Transit Depot

The Health and Safety at Work (Hazardous Substances) Regulations 2017 require a Person Conducting a Business or Undertaking (PCBU) with management or control of a hazardous substance location (HSL) or transit depot to notify WorkSafe New Zealand of the HSL or transit depot before it is commissioned (i.e. before receipt of the hazardous substances that are required to be at a HSL or transit depot).

Note: If you are, or may be, a Major Hazard Facility, please also complete the 'Major Hazard Facility Notification Form'. This form is available at worksafe.govt.nz
