

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Nicole Rosie, Chief Executive of WorkSafe New Zealand, exempt **Fire Extinguishers Ltd** from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017.

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
- subject to the following conditions:
 - This exemption is limited to the cylinder with the serial number AA52303. It is not a type approval for other cylinders of similar or identical design.
 - Fire Extinguishers Ltd must ensure that the letters LAB7710SP and the station mark are stamped on this cylinder in accordance with regulation 15.60.

This exemption takes effect on **14 May 2018** and expires on **14 May 2023** unless it is sooner replaced or revoked.

Signed at Wellington this 16 day of May 2018.

Nicole Rosie
