

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Simon Humphries, Deputy GM Investigations and Specialist Services of WorkSafe New Zealand, exempt **Chubb New Zealand** from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017.

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
- subject to the following conditions:
 - This exemption is limited to the cylinder with the serial number 8838FV. It is not a type approval for other cylinders of similar or identical design.
 - Sai Global (NZ) Ltd must ensure that the letters LAB7711SP and the station mark are stamped on this cylinder in accordance with regulation 15.60.

This exemption takes effect on **2 July 2018** and expires on **2 July 2023** unless it is sooner replaced or revoked.

Signed at Wellington this 02nd day of July 2018

Simon Humphries
