

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Tony Hetherington, Head of High Hazards, Energy and Public Safety of WorkSafe New Zealand, exempt **Nelson Forests Limited** from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 in respect to the Norris Cylinder Company Inc cylinder with serial number 6007178Y.

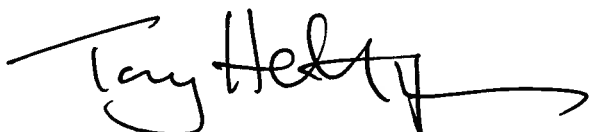

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
 - the cylinder has been matched to an existing design already approved by WorkSafe New Zealand; and
- subject to the following conditions:
 1. This exemption is limited to the Norris Cylinder Company Inc cylinder with serial number 6007178Y.
 2. Nelson Forests Limited must ensure the following are stamped on the Norris Cylinder Company Inc cylinder with serial number 6007178Y:
 - a. the approval number LAB7715SP in accordance with regulation 15.60
 - b. the station mark of Tank Test Laboratories 2017 Limited in accordance with regulation 15.60.
 3. The approval number LAB7715SP must not be stamped on any other type of cylinder.

This exemption takes effect on **18 December 2018** and expires when the cylinder, namely the Norris Cylinder Company Inc cylinder with serial number 6007178Y, has been stamped with the approval number LAB7715~~SP~~ and station mark of Tank Test Laboratories 2017 Ltd.

Signed at Wellington this18... day ofDec..... 2018

For and on behalf of WorkSafe New Zealand:

A handwritten signature in black ink, appearing to read 'Tony Hetherington', with a long horizontal flourish extending to the right.

Tony Hetherington
