Public warning in case of major incident

General information about how the public will be warned in the event of a major incident at the facility:

General Public:
 In the event of a major incident, emergency services will be called and members of the public who may be affected will be warned through the emergency services.

Adjacent businesses:
 Emergency Radios and alarms are located across the NST and Oji Mill Site; they are also at CHH Wood products, Asaleo Care and Mighty River Power.

Public actions in case of major incident

General information about how the public should act and any precautionary steps that people should take if a major incident occurs at the facility:

General Public:
 Stay indoors or seek shelter, close external windows and doors.
 Do not approach the facility. Members of the public are advised to co-operate with any instructions or requests from the emergency services.

Adjacent businesses :
 Adjacent businesses must incorporate the components of the Oji Fibre Solutions Tasman Emergency Response Plan, detailing actions to be taken in the event of a major incident, in their emergency plans.
